

Facilities at Wakefield Park

Super Touring Car championship leader Paul Morris quoted Wakefield Park as "the best short track circuit in Australia today". Wakefield Park caters to the general public, corporate hire, as well as the racing fraternity. In addition to the race meetings and practice days, we also provide group events for V8 Racing cars, and for professionally instructed and organised drive day events. The onsite facilities include canteen, coffee shop, carparks, lock-up Pit Lane garaging, tower, timing and corporate area. For the ultimate adrenalin filled day, please visit Wakefield Park - whether to watch, participate or drive yourself. We hope to see you there soon - please contact us for any further details.

- The Management and Staff Wakefield Park Management Pty Limited.

How to get there

Wakefield Park is situated about 8km (along the Braidwood Road) from the south-eastern New South Wales city of Goulburn. The drive from Canberra takes an hour and about 2 hours (along the excellent Hume Highway) from Sydney.

COME FOR A SPIN AROUND THE TRACK!

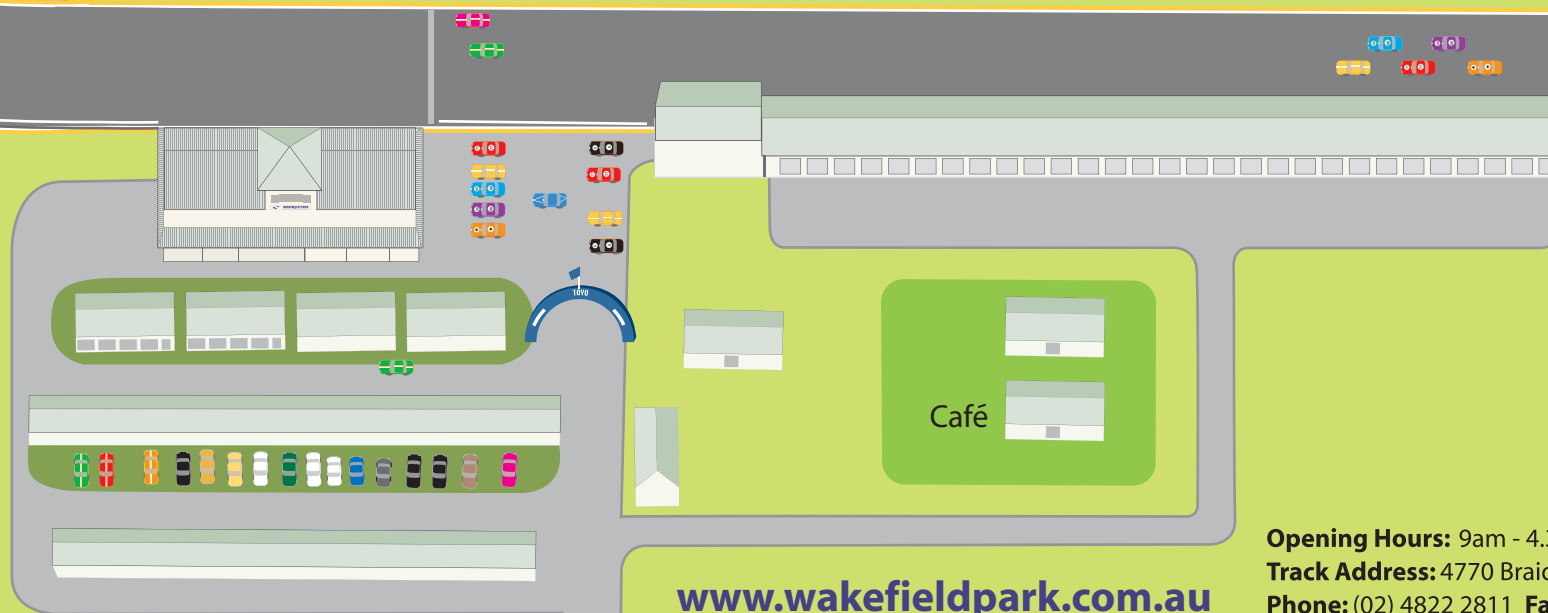

Safety First

Our experienced administration and trackside crew make safety on and off the track at Wakefield Park their number one concern.

Wakefield Park is a fully-fledged Australian Motor racing Circuit, licensed by the NSW Department of Sport and Recreation, The Confederation of Australian Motorsport (CAMS), Motorcycling NSW and the Australian Karting Association.

Ideally situated on 100 hectares of landscaped land the circuit has been developed to a high level of safety. For example, unlike some motor racing circuits, there are no trees or other natural obstacles near the circuit. Safety is paramount and ripple-strips, tyre walls and gravel traps, have been positioned to make Wakefield Park a very safe circuit on which to run any type of racecar, production street car or motorcycle.

A great safety record and outstanding attention to detail make Wakefield Park the ideal motor racing circuit for drivers from across the range of skill levels - especially for Speed of the Streets and private bookings.

Using Wakefield Park

Wakefield Park is widely regarded as the best compact circuit in Australia - by drivers for its exhilarating straights and turns - and by spectators because friends can easily see all of the action, across the entire track, all of the time. This unique feature, plus the absence of trackside obstructions, also helps make the 2.2 km motor racing circuit among the safest in Australia.

As well as regularly hosting major national motor racing events - including the Australian Motor Racing Series - and club events - the circuit opens to the public and motoring enthusiasts daily for 'Speed off the Streets' and 'Open Practice' sessions. Upon completion of a safety checklist, licensed motorists are free to experience the main circuit at full speed in their own street vehicles (cars and bikes in separate controlled sessions).

The circuit is also readily available for private hire. Uses include corporate team days and social events, vehicle performance testing, birthday and Christmas parties, media road tests and time trials.

To enquire about making a booking call (02) 4822-2811. An events calendar with daily updates is available at www.wakefieldpark.com.au. The circuit is located on the Braidwood Road 8 kilometres from Goulburn (2 hours from Sydney on the Hume Highway and an hour from Canberra).

Opening Hours: 9am - 4.30pm

Track Address: 4770 Braidwood Rd, Goulburn NSW 2580 (See map inside or at website)
